When I finished reading John Case's The Genesis Code, the first thought that came to my mind was how come I didn't read it earlier! A thriller, with unthinkable twists and turns, delving deep into religion, theology and history— a reader couldn't have asked for more. The Genesis Code by John Case - Goodreads The Genesis Code really didn't excel in any of the endeavors it tried to achieve. It was not a good mystery definitely not a dystopian thriller and it absolutely should not be placed into the Science Fiction category. There are too many things going on as far as politics; religion; economic powers; philosophy; science and a bit of a love story. Amazon.com: Customer reviews: Genesis Code: A Thriller of ...
